## GREETINGS FROM THE PRINCIPAL'S DESK...

As we stand on the threshold of a new academic session, I extend a hearty and warm welcome to all my students, staff and parents. Each academic year is a new height scaled, another dream realized with new targets set for the future. Each member of this institution is devoted to turning dreams & aspirations into reality through sincerity & perseverance.

We at SBMS always try to maintain the highest quality in academic standards and provide the most conducive environment for our student's holistic growth and development. We also strive to instil the core values of Respect, Integrity, Compassion and Excellence in our students so they can meet the ever-changing global challenges. Our dedicated and highly qualified staff stand as exemplary role models for our students thereby keeping the ethos of our school shining bright.

Nelson Mandela rightly said, "Education is the most powerful weapon you can use to change the world." If there is one thing that can change the world, it is education and SBMS is the pillar of formal education. Along with providing academics, we aspire to instil values, life skills and habits that make our students stand out and make a difference in society. We provide our students with ample opportunities to develop 21st-century skills such as collaboration, teamwork, critical thinking, emotional balance, time management and much more.

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations." We wish to thank all the parents for their faith in SBM School. Let's partner together, so that we can see children being successful in whatever path they choose to tread.

Mr. Vishnu.R. Nair
