The greatest service of our motherland is to do our duty sincerely and honestly. We all are an 'India' in ourselves and if we clean, clear, promote the space which we occupy as individuals and fill this space with patriotism, devotion and dedication, this will prove a milestone in the service of mother India.

"Freedom is essential to the pursuit of happiness. Freedom is essential to artistic evolution and expression. Freedom is essential to the expansion of the human mind. Freedom is essential to the creation of an individual's will, motivations, preferences, and unique talents. In essence, freedom is essential to the success and progress of humanity."

Today we celebrate the 78th Independence Day of our great Nation. On this joyous occasion I convey my greetings and good wishes to all the members of Sri Bhagwan Mahaveer School and their near and dear ones and pray for their peace, progress and prosperity.

On a positive note, let us strive to make our country a better and safe place by following the values and principles taught by our great leaders. Let us spread awareness, knowledge, values and gain wisdom. Let us make this our Independence Day resolution. If each individual of our country follows these basic principles he/she would grow, so would his/her family, his/her surroundings and eventually it would lead our country to become a great nation. Therefore, let us make a promise on this auspicious Independence day and let us make India our motherland shine even brighter into our future by joining hands together and keeping in mind.

RAKSHA BANDHAN CELEBRATION

Raksha Bandhan is one of the most sacred and holistic festival of Hindus. It is celebrated by brothers and sisters and among cousins. Here Raksha signifies protection and Bandhan signifies bond which totally signifies a protection bond tied to the wrist of the brother by his sister.

Raksha Bandhan is popularly known as Rakhi festival which honors the holy bond between a sister and brother. It is one of the traditional festival of Indians with time it later spread to different parts around the world. Rakhi was initiated by our National Anthem writer and the Noble prize winner Rabindranath Tagore to promote and share the brotherhood among the citizens. On this day every brother and sister get very excited sisters ties Rakhi and applies Tilak on her brother forehead and makes him to eat the sweets. Brothers bless their sisters and brings exciting gifts after the ritual.

The first words that will strike in our mind about Raksha Bandhan is pure love. There are many saying that there are only two men in the world who could love you the most are your father and your brother.

Raksha Bandhan festival is a symbol of strong bonding relation between a brother and sister.

In SBM school all students and teachers celebrated Raksha Bandhan on 19th August. Girls tied Rakhi and applied Tilak on boys forehead and made them to eat sweets. Boys brought gifts and they had given to girls. Teachers tied Rakhi and applied Tilak on sir's forehead and made them to eat sweets.

Har Ghar Tiranga

Har Ghar Tiranga' is a campaign that started under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark India's independence.

It stemmed from the thought that our relationship with the national flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation thus became symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our collective commitment to nation-building.

The idea behind the initiative was to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. The Ministry of Culture is the nodal ministry for Har Ghar Tiranga. We, at SBMS, motivated all our students and staff to hoist National Flag in their home or residence on 14th August 2024.
